Opt for ready-made or personalise your shelf system according to your preferences – adjust height, width, open or closed design, material (wood/glass), and colour for a customised and stylish storage solution.

Flexible shelving solutions

Odločite se lahko za predpripravljen sistem ali pa ga povsem prilagodite svojim željam in potrebam – prilagajate lahko višino, širino, globino, se odločite za odprto ali zaprto zasnovo, izbirate različne materiale in barve polic (les/steklo) in tako sami zasnujete elegantno rešitev za shranjevanje.
